BRAND'S FULFILLMENT?

Fluctuating temperatures, humidity, and rough handling can damage your delicate products, leading to:

- Loss of potency and effectiveness
- Changes in texture, color, and scent
- Shorter shelf life and increased spoilage
- Negative customer experiences and brand reputation

AIR-CONDITIONED SPACE AVAILABILITY

70,000 sq ft fully optimized and move-in ready!

VEYER LOGISTICS OFFERS THE SOLUTION

Temperature-controlled fulfillment that prioritizes product integrity and customer satisfaction. Here's how we deliver:

01 CLIMATE-CONTROLLED ENVIRONMENTS

Our state-of-the-art facilities maintain optimal temperature and humidity levels year-round, safeguarding your products from damaging elements.

02 SPECIALIZED HANDLING & PACKAGING

Our experienced team is trained to handle sensitive products with care, utilizing specialized packaging solutions to safeguard your products and help prevent damage.

03 COST-EFFECTIVE SOLUTIONS

We understand the importance of managing costs. Our flexible and scalable fulfillment solutions are designed to meet your specific needs and budget, without compromising quality.

04 VALUE-ADDED SERVICES

- **Kitting & Bundling:** Create attractive product bundles to increase order value and delight customers.
- **Subscription Box Fulfillment:** Seamlessly manage your subscription box program with accurate picking, packing, and timely delivery.
- **Custom Packaging & Branding:** Elevate your brand experience with personalized packaging and inserts.
